These quarterly financial results as well as the year to date financial results have been prepared on the basis of the interim financial statements, which are the responsibility of the company's management. Our responsibility is to express an opinion on these financial statements based on our review of such interim financial statements, which have been prepared in accordance with the recognition and measurement principles laid down in Accounting Standards for Interim Financial Reporting (AS 25/ Ind AS34), prescribed, under section 133 of the Companies Act, 2013 read with relevant rules issued there under and other accounting principles generally accepted in India.

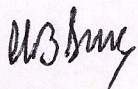

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the statement. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the Statement in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.
